

# Referral Form

### Reason for referral/current concerns:

If requesting daily witnessed ingestion, please write "dispense daily" on each page of prescription.

Does the patient have any unique living conditions our nurses and care aides should be aware of during visit, i.e. safety concerns, sanitary conditions, etc.?

### Medical Conditions/Medical History

Please attach any discharge notes, admin notes, etc. available to you to help us better serve the patient.

### Emergency Carries

In the event of extenuating circumstances (e.g. extreme weather), staff may not be able to visit patient. Pharmacy will need to issue emergency carries for the patient for continuity of care, otherwise their dose will be missed.

- Patient authorized for 2 days worth of emergency carries to be issued at pharmacy's discretion.
- Patient NOT authorized for emergency carries, patient to visit pharmacy or miss their dose.

#### Note:

Please be aware services may take up to 2 days to process and start. In urgent cases please contact our head office directly for review.

Our services differ from Home Support Services. We only provide the care tasks listed. We are strictly education and medication management.
